Connecting Through Talk Teacher-Led Tutorial

by coaching2clarity.com

CONSOLIDATE AND PRACTICE WITH OTHER LEARNERS HOW TO

- Express yourself honestly
- Express self empathy and
- Listen empathetically
- by using evaluation free observations,
feelings and needs, and enjoyable requests

The Teacher Led Tutorial is **supplementary** support for students of the online Connecting Through Talk series who want the opportunity to learn socially with peers while practicing speaking compassionately under the guidance of a teacher. You will be guided and supported through the three Connecting Through Talk courses via three, teacher led, online zoom meetings.

Make friends and practice in a safe, supportive environment where making mistakes are celebrated as evidence of learning, and where you are free to experience and explore the transformative effects of compassionate talk.
